## SUMMARY

I'm an IT engineering student with a passion for building smart, user-friendly tech solutions. I enjoy solving problems, learning new tools, and pushing creative ideas—especially when working on projects that make a real difference.

---

## PROJECTS

### Travel Itinerary Planner

February 2025 - March 2025

- This Project uses Java Servlet/JSP for Backend. HTML 5, CSS 3, Bootstrap for Frontend and MySQL for Database Management.
- Made this Itinerary planner to help people choose which places to visit & what activities to do during their vacations from a predefined set of curated list.
- It has a Registration and a Login System which helps user to save places and activities to their profile, so that whenever they login again they can see their selected activities & places to visit.

### Nike Website Clone

October 2024 - December 2024

- Made a Nike Website UI clone using HTML 5 and CSS 3 to have a much deeper and Practical Understanding of these Technologies

---

## CERTIFICATIONS

### Java Full Stack Developer

Seed Infotech Ltd. • 2025

- Trained in Core Java, Advance Java HTML 5, CSS 3, JavaScript, MySQL,
- Built full-stack web applications with real-time backend integration

---

## SKILLS

- Technical Skills :

Languages - Java, C, C++

Frontend Technologies - HTML 5, CSS 3, JavaScript(ES 6+), Bootstrap, jQuery, Nodejs

Databases/OS - MySQL, MongoDB Ubuntu, Windows

Libraries -

Frameworks/Tools - Express.js, GitHub, Google Collab

Machine Learning - Supervised Learning, Unsupervised Learning

- Soft Skills - Critical Thinking, Problem-Solving, Effective Communication

---

## EDUCATION

### Bachelor of Engineering

Konkan Gyanpeeth College Of Engineering • Karjat, MH • 2025

### HSC

Lakshya Prep High School & Junior College • Kalyan, MH • 2022

### SSC

Shri Vani Vidya Shala High School • Kalyan, MH • 2020

- Appeared for Olympiad Examination
  - Cleared the Elementary Drawing Exam, which helped shape my creativity and eye for detail from a young age. It sparked my interest in design and visual thinking.
-
